

Citizens On Patrol - Update

There will be a meeting November 23, 2017 at the Bentley High School at 7:00pm for a couple of items and any questions.

1) We need volunteers to sit on a board to establish a Society.

By sitting on this board you will help to choose a name and to review all the By Laws needed and create any that pertain to our town. Other things as well as we move along.

Without establishing a Society we can not move forward!

2) I will have the C.O.P. Registration forms for all volunteers who wish to be a part of the program.

I also have Criminal Record Check forms that the RCMP have given me. All volunteers MUST

have one done. There will be no cost to get these done as we are volunteers.

They have also given me permission to bring in other Volunteers Criminal Record Checks. If you

fill out the form and have 2 pieces of ID photocopied (you may put these in an envelope if you

wish), I can take them all in at once and they can do them all together. The RCMP said some

groups have done this. But the choice is yours.

Any questions you have for the meeting we will try and answer as best we can.

Any questions call me and leave a message and I will call back ASAP or Email me.
